Mission

SDGI aims

- To transform students of SDGI as good human being.
- To build a culture of excellence in teaching and learning with performance and accountability.
- To make students AGYAKARI, SHISHTACHARI and SANSKARI.
- To cultivate an environment in which new ideas, research and scholar flourish.
- To design the education through a continuous process keeping in mind the background of students.
- To achieve excellence in application oriented research in selected areas of technology.
- To make youth co-author of their destiny.
- To develop responsible citizen through awareness and acceptance of ethical values.
- To build a family of alumni and friends for a network of faithfulness.
- To promote institute-industry interface on a continual basis for better placements.
- To develop internal qualities of students.
- To make our students peace and harmony follower.
- To make our students productive members of the society.

Vision

SDGI strives

- To become a centre of excellence in technical education and research by providing meaningful education to students and transforming them into ethical leaders with functional expertise and entrepreneurial spirit to improve employability exponentially. To Produce - Disciplined Intelligent Professionals (D.I.P)

Our Inspiration...

Late Sh. Suresh Chand Gupta
Founder Chairman

Message from Our Chairman

Under the Visionary Leadership of our Chairman Sh. Mahender Aggarwal, a first Generation entrepreneur and a prominent industrialist with philanthropic interests, SDGI is steadily working towards building an unmatched legacy in Education landscape.

Sunder Deep Group of Institutions (SDGI) has a mission to ignite young minds and empower lives. SDGI today has emerged as one of the leading educational conglomerates in the NCR region. It fills me and my team with an overwhelming sense of joy and pride to see thousands of students pursuing higher education in SDGI and emerging as successful and responsible global citizens. Across our 8 Institutions-each one is a center of excellence in its own place. We offer a wide spectrum of undergraduate and postgraduate programs ranging from Engineering and Technology, Computer Application to Pharmacy, Hospitality, Business Administration, Architecture, Law and Hotel Management with only one objective in mind i.e. to address collectively the educational void across all strata of the society and be an integral part of the India 2020 vision. Our upcoming objective is to set up a learning temple of Dental and Medical Science, B.A.F.D. and other short duration courses. At SDGI, we constantly strive to create an effective academic platform that can drive social, cultural, scientific, economic, and technological reforms in a nation. The end state vision is to come up as a global interface through promoting an exchange of knowledge beyond national boundaries. It is my firm belief that SDGI will continue in this competitive vein, and I wish all of you a rewarding career and success in all walks of life.

Sh. Mahender Aggarwal

Message from Former Vice Chancellor- AKTU Lucknow

माननीय अभिभावकगण,

सुन्दरदीप ग्रुप ऑफ इन्स्टीट्यूशन्स देश का एक श्रेष्ठ संस्थान है जहां युवाओं को सक्षम बनाना ही प्रमुख उद्देश्य है, संस्थान के प्रबंधन का व सभी शिक्षकों तथा सपोर्ट स्टाफ का। पिछले पन्द्रह वर्षों से संस्थान के विभिन्न प्रोग्राम में यहां के छात्र विश्वविद्यालय में टॉप करते रहे हैं। यही एक बात है जो इस प्रांगण में बच्चों को प्रवेश पाने के लिए आकर्षित करती है। मेरा पूर्ण विश्वास है कि आपका बच्चा यहां से पढकर, सीख कर और प्रवीण बनकर अपना भविष्य उज्ज्वल करेगा।

शुभकामनाएँ। सादर।

प्रोफेसर (डा०) राकेश कुमार खण्डाल

पूर्वकुलपति, डा० ए० पी० जे० अब्दुल कलाम टेक्नीकल यूनिवर्सिटी, लखनऊ

Message from Our Vice Chairman

SDGI gets its Driving Force from our young Vice Chairman Sh. Akhil Aggarwal. A business management graduate from London, who drives team SDGI to create a strong positive impetus on our students, through maintaining right teaching learning environment, across all its institutions.

Sunder Deep Group of Institutions, embarked its journey towards the field of Technical education spurred by a search in the demand for quality engineers who were expected to shape the destiny of contemporary India, homogenize the country's interest, and usher in a new millennium with new promises. Now when we have 22 different courses at our campus, I feel privileged to be a part of the India 2020 vision of providing quality education through our Sunder Deep Group of Institutions in Ghaziabad.

“Education is the manifestation of the perfection in man.” This is the way how education was defined by Swami Vivekanand. In keeping with the same philosophy, we at SDGI strive to inspire students in this direction. At SDGI, we give students the best of facilities backed by adequate infrastructure and operational ambience like state-of-the-art laboratories, highly experienced teachers and other learning resources. Success comes to those who work hard but stays with those who do not rest on the laurels of the past. I personally look forward to integrating my experience over the years in industry and research into the learning system. We try to direct the collective efforts of the faculty to build a comprehensive methodology that encompasses education for stimulating the mind of the students in such a way that they endeavor to be responsible citizens of their country.

Sh. Akhil Aggarwal

Message from Our Chairman Academics

Respected Parents,

I want to congratulate you for ensuring that your children finished school. It is an important achievement. However, the journey is not complete. In today's day and age, college education is more important.

Nelson Mandela called education, the most powerful weapon to change the world. In order to hone the weapon, we need higher education. Often children make the wrong choice of not finishing higher education after school. As parents it is our duty to ensure that we guide our children in the right direction. Higher education is a passport to a brighter future for us, our families, our society and our nation. At Sunder Deep Group of Institutions (SDGI), we believe in a holistic education approach that goes beyond text books. On top of technical skills, we pride ourselves in nurturing our students' attitudes and behavior towards becoming productive members of society I need your cooperation, as parents, that you ensure that your

children attend all classes. In return, we promise that we will give back a DIP student i.e. a Disciplined Intelligent Professional student. We believe education is something that should remain with us for all our lives even after we forget what we have learnt in our class. Through this philosophy, we will ensure that our next generation learns to live in a higher orbit of consciousness.

SUNDER DEEP Educational Society

Sunder Deep Ka Sapna Ghar-Ghar Bachaa Shikshit Ho Apna

K.G. to P.G.

Sunder Deep Educational Society (SDES) was formed in the year 2004 for larger good of the society. It was got registered under Indian Society Act, 1860 in August 2004. Main objective of the Sunder Deep Educational Society includes “Transformation” of new generation by imparting them Quality Education. For this purpose in the field of Technical Education – The following Colleges were established in the year mentioned against each.

1. Sunder Deep Engineering College in 2006
2. Sunder Deep Pharmacy College in 2007
3. Sunder Deep College of Architecture in 2008
4. Sunder Deep College of Hotel Management in 2008

Under the umbrella of Sunder Deep Educational Society all the colleges are approved by AICTE, Govt of India and affiliated with Dr. A. P. J. Abdul Kalam Technical University and Board of Technical Education, Lucknow. Group of these colleges is approved as “Technical Campus” by the All India Council for Technical Education, New Delhi. In order to ensure that our youth of higher education could be transformed as good human being and good citizen of INDIA, the following colleges were also established in the year mentioned against each –

1. Sunder Deep College of Management & Technology in 2010
2. Suresh Deep Polytechnic in 2014
3. Sunder Deep College of Law in 2015
4. Sunder Deep College of Education & Information in 2015

Main Aims & objectives of the Sunder Deep Educational Society in the field of education are –

- i. To impart Quality Education in various fields from the level of K.G. to P.G.
- ii. To train students how to live in the orbit of consciousness.
- iii. To train them for BUDDHAM SHARNAM GACHHAMI. How to train mind for enlightened thoughts.
- iv. To train them for SANGAM SHARNAM GACHHAMI. So that they can surround themselves with the group of right minded people.
- v. To make them “RICH IN THE FIELD OF QUALITY OF THEIR THOUGHTS”
- vi. To Change their attitude and to hone their behaviour.
- vii. To inculcate entrepreneurship as Integral part of their personality.
- viii. To make them SHISHTACHARI, AGYAKARI & SANSKARI
- ix. To make them capable to create their own definition.
- x. To make them eligible and employable.
- xi. To make them efficient, excellent and expert in the field of their choice.
- xii. To make them man of principle & man of ethics.
- xiii. To make them fair, firm and fearless and to make them value based decision makers.
- xiv. To make them disciplined intelligent persons.

National Cadet Corps (NCC)

1. Sunder Deep Group of Institutions being a private Institution have unique privilege of having Boys & Girls senior wing NCC running successfully as under :-
 - (a) 13 UP Girls Battalion, Ghaziabd , UP :- For Girls NCC
 - (b) 37 UP Boys Battalion, Ghaziabd , UP :- For Boys NCC
2. Highly motivated, energetic & smart students join NCC for disciplined life style and the love for their country.
3. Senior wing Combined Annual Training camp (CATS) of both Boys & Girls for 10 days are held every year. About 600 to 700 NCC cadets from three Districts participate in each camp. Prestigious Republic Day Camp-2019 was successfully conducted and highly appreciated by Group Commander of NCC.
4. Senior under officer Miss Simran Kanogia of our college, not only participated in Republic Day Parade- 2019 but also bagged "GOLD MEDAL" and brought laurels to our Institution.
5. Also, social activates like Swatch Bharat Abhiyan are being conducted by our NCC cadets, which from time to time have been appreciated by District Magistrate, affiliating university and other dignitaries.

For any guidance and further query you can contact the following :-

- (a) Dr. Avdesh P. Singh - +91-7840 090 802 (for Boys NCC)
- (b) Ms. Gunjan - +91-8630 760 807 (for Girls NCC)

Transportation Facilities

SGDI has its own fleet of buses to cater to the transportation needs of its students & staff. These buses ply to every corner of the city. The transportation facility is also available from Delhi, Noida, Greater-Noida, Garh, Hapur, Bulandshar, Modinagar and Local Area at subsidized fare.

Cafeteria - Rendezvous

This is the place to rejuvenate the tired spirits through lip smacking delicacies. The cafeteria provides much needed appetizer breaks in a cozy atmosphere. The cafeteria services are available round the clock at reasonable prices with smile.

Sports Facilities

At SDGI students benefit from a range of excellent, up-to-date sport facilities including two full size cricket pitches are available with sports grounds for Basketball, Badminton & Football. Seperate gym for girls and boys are available.

SDGI also organizes sports events on regular basis. The students of SDGI also participate in various inter-college, inter-university level sports meets. Shortly SDGI will come up with state of art infrastructure for sports complex as we strive to recognize & honor the drive of young students for opportunities in sports.

Medical Facilities

SDGI has a tie up with a reputed hospital, which is in close proximity to the group. A team of qualified Doctors is available to provide regular and intensive medical care to our students. SDGI also offers health insurance policy to its students. An emergency mobile van is also available round the clock to ensure timely healthcare to the resident students. A well qualified doctor is always available in the dispensary.

Modern Library

An enriched library with latest books, journals, magazines and periodicals has become a centre of attraction for students. This fully functional library is presently housing more than 75000 latest books on technical, management and related subjects as well as 60 national/international journals. This helps students and faculty to keep updated with the latest developments. The different sections of library have been fully automated through e-institute management system. The online web journal facility is also available to provide access to abstracts and full text versions of major national and international journals in the field of engineering, medicine, management, hospitality, architecture, law & information technology.

Computer Centre

SDGI is committed to render extensive computing resources for a strong academic environment for research and education. We provide fully integrated and well equipped laboratories in the field of Artificial Intelligence, Data Science, Internet of Things, Cloud Computing and Mobile Application Development. We have more than 1000 high-performance computers. In addition to general-purpose file server, the institute maintains eight specialized servers for database clients, Linux based workstations and Cloud storage. The network communications include a fiber-optic backbone, offering high-speed bandwidth to provide Wi-Fi on campus. Our objective is to promote research to bring the benefits of the technological revolution to the society.

SUNDER DEEP ENGINEERING COLLEGE - SDEC

AKTU Code : 240

Sunder Deep Engineering College (SDEC) was established in 2006 with a view to provide quality technical education. SDEC Equipped with many 'Centres of Excellence', the college encourages its students to participate in a creative exploration of knowledge involving hands-on activities, which provide 'learning by doing'. SDEC is continuously endeavouring to make its students technically skilled, innovative, behaviourally disciplined, and morally ethical to excel in the global corporate scenario. SDEC is known for quality technical and management education, centres of excellence, innovative teaching pedagogy, discipline, and other creative efforts.

WHY B.TECH FROM SUNDER DEEP?

Centre of Excellence of Revature for Early Engagement & Readiness Program.

Centre of Excellence in Robotics & Automation.

Effective Support, Guidance & Assistance for Ensuring Placements.

Practical Hands-on Trainings.

Strong Industry Academia Interface with Industrial Attachment for 3 / 6 Months Durations.

NCC for Boys & Girls.

Professional & Business Etiquettes Training for Complete Professional Grooming.

Incubation Centre.

Focus on Co-Curricular & Extra Curricular Activities for Holistic Development.

Strong Alumni Connect and Support.

Faculty with Industry and Academic Experience to Provide Industry Relevant Skills.

TRAININGS

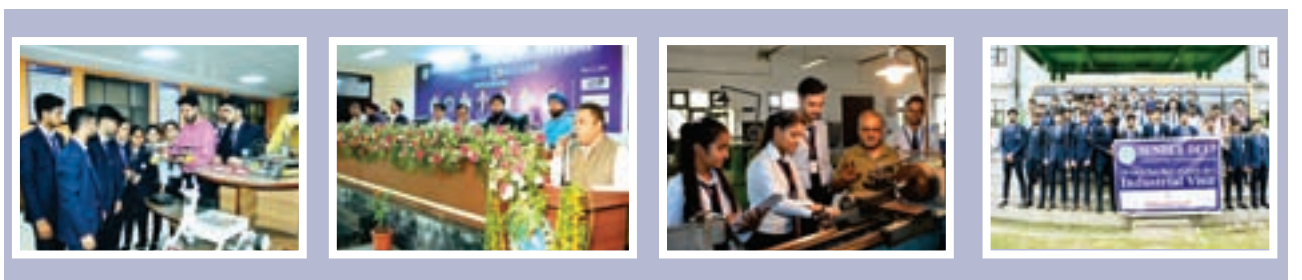

Sunder Deep Engineering College focuses on Importing add on skills beyond curriculum to improve acceptability by the industry leading to better placements. few such trainings are Java, Full Stack Java, PHP, .NET, Block Chain, Python, Machine Learning, Deep Learning, AutoCAD,CATIA, MATLAB, PLC & SCADA, RAVIT, SCILAB.

Courses	Stream	Course Duration	Eligibility
B.TECH	CSE, CSE (IOT), CSE (AI & ML), ME, CE, EEE,	4 Years	Candidate must have passed intermediate (10+2) examination or its equivalent with compulsory subjects (Physics & Mathematics) and one of the optional subjects (Chemistry/Bio-Technology / Biology / Technical Vocational subject) and obtained at least 45% marks (40% marks for SC/ST category) the above subjects taken together.
B.TECH (Lateral Entry)	CSE, CSE (IOT), CSE (AI & ML), ME, CE, EEE, ECE	3 Years	Candidates who have passed (with/without grace) three years Engineering Diploma with minimum 45% marks (40% marks for SC/ST category) OR Passed B.Sc. degree and passed XII standard with mathematics as one of the subject from any recognized University; securing minimum 45% marks (40% marks for SC/ST category) in aggregate.
M.TECH	Computer Science & Engineering (CSE)	2 Years	Through Counselling - UPSEE qualified with 50% marks in B.E/B. Tech/MCA, M.Sc.(CS, IT). Through Direct Admission - GATE/UPSEE qualified with 65% marks in B.E/B.Tech (60% marks for SC/ST category).
MBA	Dual specialisation offered by AKTU in different streams (Finance, Marketing,HR,IT, IB& OM)	2 Years	Candidate must have passed (with/without grace) Bachelor's degree course of three years minimum duration from any recognized University with 50 % marks (45% marks for SC/ST category) in aggregate.
MCA	Computer Application	2 Years	Candidate must have passed BCA / B.Sc./ B.Com./ B.A. of three years minimum duration with Mathematics at 10+2 level or at Graduation Level from any recognized University with Minimum 50% marks (45% marks for SC/ST category) in aggregate.

CENTER OF EXCELLENCE - REVATURE

Sunder Deep Engineering College tie up with Revature for **Early Engagement & Readiness Programmes**. Revature, USA, is an international talent development company democratizing the technology talent landscape. Revature is the largest employer of emerging technology talent in the US and the talent development partner of choice for fortune 500 companies, govt. organizations and top system integrators. Revature has trained over 9000 software engineers in 55 technical disciplines, recruited talent from 700 universities and deployed them to blue chip companies worldwide. Revature has committed to training one million developers by 2030. This tie up for ensure placement to the students of B.Tech, BCA, and MCA.

SUNDER DEEP COLLEGE OF ARCHITECTURE & PLANNING

AKTU Code : 327
COA Code : UP-08

Sunder Deep College of Architecture & Planning was established in the year 2008 with a mission "To be one of the best Institutes in our country for educating / training the students of Architecture in best possible manner". Architecture is meant for beautification of environment where imagination meets life. Architecture is a recession free profession. Sunder Deep College of Architecture & Planning offers a progressive approach to architecture education. The curriculum focuses on hands on learning and skill development in a studio, lab and in workshops. It is designed to address current market demand. The program exposes students to the unique system of an architectural education as well as an introduction to the design profession. Here students are given the opportunity to absorb both the new and historic aspects of architecture through lectures, design exercises and field trips. Sunder Deep College of Architecture & Planning is proud winner of Best Architecture College of NCR. Academic excellence is reflected consistently through excellent teaching and learning process. Students of Sunder Deep College of Architecture & Planning hoisted flag of Top positions in University Examination.

WHY B.ARCH FROM SUNDER DEEP ?

Top Ranking College in the University

25 Acres spread lush green landscaped campus

Distinguished faculties from SPA & IIT

National & International Study Tours

Regular interaction with Eminent and practising Architects

Producing University Toppers since inception.

Hosted various Guest Lectures, Workshops and ZONAL NASA meets

Course	Course Duration	Eligibility
B.Arch. (COA)	5 years	No candidate shall be admitted to Architecture course unless she/he has passed an examination at the end of the 10+2 scheme of examination with at least 50%. Aggregate marks in Physics, Chemistry and Mathematics and also at least 50% marks in aggregate of the 10+2 level examination or passed 10+3 Diploma Examination with Mathematics as compulsory subject with at least 50% marks in aggregate. All candidates need to qualify an aptitude test (NATA) Conducted by COA
M.Arch. (COA)	2 years	The candidate with a minimum of 50% marks in aggregate in a Bachelor of Architecture (B.Arch) degree course or equivalent courses recognized by the Council of Architecture shall be admitted to the post graduate course in Architecture. The Direct admission to GATE scholar.
M.U.R.P. (ITPI)	2 years	The candidate with a minimum of 55 % marks in aggregate in B. Plan / B. Arch / B. Tech (Planning or Civil Engineering) / B. E. (Civil Engineering) / Master's Degree in Geography or Economics or Sociology (from any University / Institutions in India or Abroad or its equivalent recognized by the Government of India) shall be admitted to the post graduate course in planning.

* Subject to change as per AKTU, Lucknow norms.

B.ARCH FACILITIES

SDCA has well equipped labs to support creative ventilations of budding architects:

- Architectural Design Studios
- Construction Yard
- Art & Graphics Studio
- Well equipped Library
- Computer Lab
- Climatology Lab
- Survey Lab
- Seminar Hall
- Material Museum
- NASA Activity Room
- Model Making Workshop
- Girls Hostel
- Boys Hostel
- Sports Facilities
- Medical Facility

AWARD

Sunder Deep college of Architecture is awarded as Excellent Institute for Architecture Education in India at 11th National Education Summit in 2017.

WHY HM FROM SUNDER DEEP?

Faculty with International Experience.

Regular sessions by Experts from Industries

Special Pre-placement Training

Students getting Gold Medal in University

Campus Placement from All top Brands

100% Placement Assistance

Field visits, Industry visits and Theme Events

Culinary Competitions and Research seminars

Training and Internships in Abroad Countries

Beyond Syllabus Learnings.

FACILITIES @ SDCHM

- Automated Laundry & HK lab
- 2 Restaurants & 1 Bar
- 3 different kitchens
- Bakery & Confectionary
- 2 Model guest Suites
- Food Science Lab
- HM Cafe
- Kitchen Herb's Garden
- Language Lab
- Training and Placement Cell.
- Full-fledged Laundry

SDCHM HIGHLIGHTS

- First Ranking College in University.
- 25 Acres of lush Green landscaped campus.
- Experienced Faculties from IHMs with Foreign Experience.
- Regular guest lectures from Eminent Industry Professionals.
- Free Wi-Fi facility & Sports Facility in campus.
- Overall personality Development.
- Organizing regular National Hospitality Competitions.

Also known as **IHM Ghaziabad**, affiliated to **NCHMCT** (Ministry of Tourism) and **AKTU** SDCHM offers 4 years BHMCT, 3-year B.Sc. H&HA and 1.0-year Diploma in Hotel Management. Featuring among India's top Hotel Management colleges, IHM Ghaziabad is known for the State-of-the-Arts Infrastructure & labs, Academic Excellence and Vibrant Campus.

BHMCT- BACHELOR OF HOTEL MANAGEMENT AND CATERING TECHNOLOGY

Bachelor of Hotel Management and Catering Technology is a 4-year degree program which equips the students with best of knowledge and skills required to work in Hotels, Allied Hospitality & Food and Beverage Industry, at a leadership position in future.

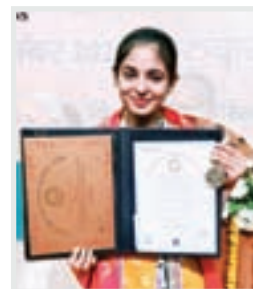

B.Sc. H&HA:

Degree in Hospitality & Hotel Administration is a 3-year Hotel Management program from India's top Affiliating Authority - NCHMCT National Council for Hotel Management (Under Ministry of Tourism), is well recognized in Hotel Industry and has enormous opportunities in Allied Hospitality Businesses.

Diploma:

1 - year Diploma in Food Production, Bakery and Confectionary, F&B Service forms the right course to develop the workforce for each department of the Hotel Industry. These diplomas are well recognized in the industry and one can easily get a job for sure with this.

Hostel Facilities with Rules & Regulations

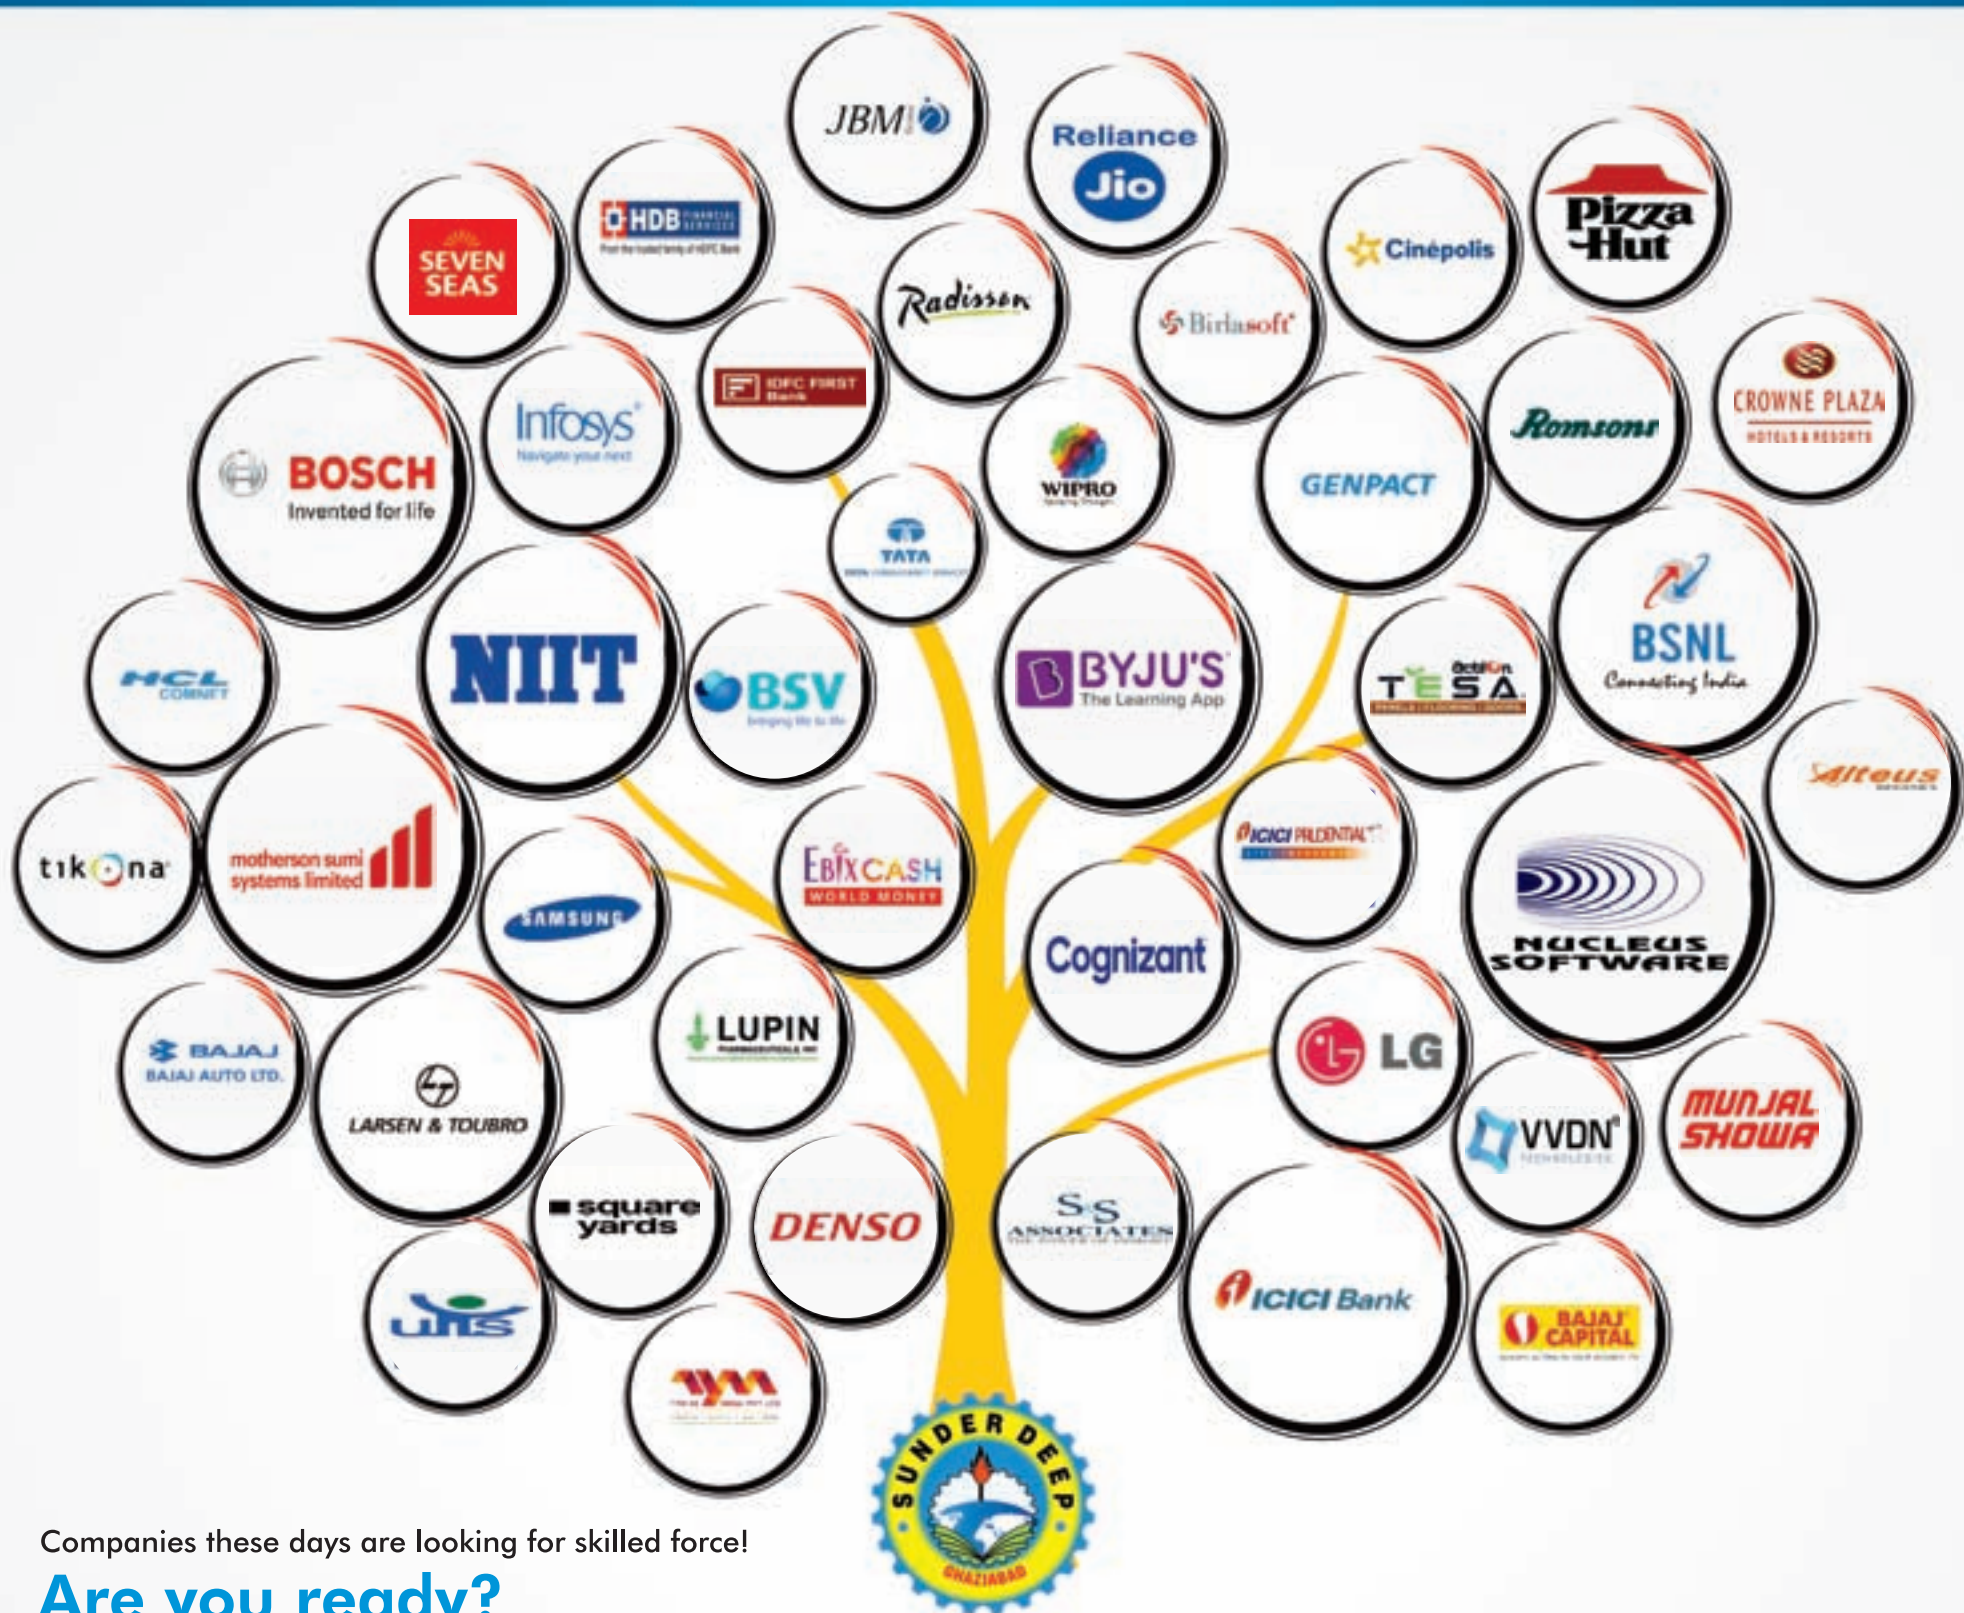

To inculcate campus living, SDGI has separate hostels for boys and girls where students can put in extra hours of efforts in an atmosphere of interactive and creative living. In the hostel's conducive environment, students share and care for every individual which help them in development as empathetic leaders. The accommodation in the hostel is allotted on the first come first serve basis provided the students fulfill the eligibility criteria.

The following facilities are provided to the students within Hostel Premises:

- 24 hours ambulance available in the hostel campus.
- 24 hours security services
- Doctor's regular visit with facility of medical checkup
- Medical, First aid room & Dispensary
- Uninterrupted water and power supply
- Cafeteria – at reasonable price
- General Stationary shop
- Laundry & Barber Shop
- Wi - Fi Campus
- Photo Copy (Color/BW)
- Yoga training
